

### **Short Program**

Run time: 20:35 (min:sec)

Best for viral RNA/DNA or easy-to-lyse bacterial DNA

### **Medium Program**

Run time: 38:40 (min:sec)

Best for viral RNA/DNA or easy-to-lyse bacterial DNA when Short Program is insufficient

### **Long Program**

Run time: 45:36 (min:sec)

Best for tough-to-lyse bacterial DNA or genomic DNA-type extractions
